To receive a rebate from Southern Indiana Power, all homeowners must provide ARI (Air conditioning and Refrigeration Institute) validation for all SEER ratings that can be obtained from the installing heating and cooling dealer. No rebate will be awarded based on HVAC dealer bid specifications, promotional material of dealer, manufacturer or any other source than ARI. A certificate of ARI-certified performance must be submitted. ALL homeowners must complete a rebate request form and provide proof of purchase to receive any 2010 Southern Indiana Power rebate. Deadline to apply for 2010 Rebate Program is Dec. 31, 2010. **ALL homeowners and future homeowners receiving Southern Indiana Power rebates agree to the future installation of energy management devices on these rebated appliances to allow Southern Indiana Power the opportunity to engage in future energy management procedures.**
