**You could win  
\$75!**

Operation Round up has been using small change to change lives of people in our community. We'd like to see even more lives changed through this great program. If you are now allowing your electric bill to be rounded up, or if you sign up to contribute to the program in the next three months, you will be entered in a drawing. Being part of Operation Round up is easy! Just go to our Web site [www.sinpwr.com](http://www.sinpwr.com) and look for the Operation Round Up link, under the "Community" tab.

When you sign up, your electric bill is rounded up to the next highest dollar (if your bill is \$100.28 it will be rounded to \$101). The average contribution is only \$6 per year for each member. That extra change goes into the Operation Round Up Trust Fund where it can be distributed community organizations or individuals like those pictured on this page. Sign up now to be part of this program and you could win \$75 in a drawing to be held Oct. 1. If you are already part of the Operation Round Up program your name will be entered in a separate \$75 drawing.
